Exploring Afghan Restaurants

Afghan cities have many restaurants where you can enjoy both traditional and modern foods. Some popular restaurants include **Zeyafat**, **Cafeteria**, **Yummy Pizza**, **Bukhara**, and **Turkish Family Restaurant**. Each place offers something unique:

Zeyafat

Famous for Kabuli pulao, mantu, and traditional Afghan dishes.

Cafeteria

Offers fast foods like burgers, sandwiches, and fresh juices.

Yummy Pizza

Serves Afghan-style and international pizzas.

Bukhara

Cozy family restaurant focusing on traditional Afghan meals.

Turkish Family Restaurant

Afghan and Turkish foods with a welcoming, family-friendly environment.

You can describe a restaurant by its **food**, **prices**, **service**, and **atmosphere**:

- "The food is fresh, well-cooked, and tasty."
- "The restaurant attracts many office workers during lunch."
- "The staff is friendly, and the restaurant is clean."
- "It has a fun and relaxed atmosphere where teens can enjoy meals with friends or family."

Grammar Explanation

We use adjectives to describe nouns like food or a restaurant. Adjectives come **before the noun** or **after to be verbs**.

The food is **delicious**.

The restaurant is **small** and **cozy**.
